

## DRIVEWAY ASSISTANCE

**Driveway Assistance** is offered at number of VACC Service station Member locations across Victoria for the benefit of people who are not able to fill their cars themselves due to a disability, or for medical reasons.

Whilst most of these service stations offer continuous **Driveway Assistance**, others offer assistance at certain times and some are only able to do so on certain days. You can obtain a list of VACC members that provide driveway assistance by going to:

[www.motor.net.au](http://www.motor.net.au)

Click on the **VACC logo** and then enter the **public site** then click on the logo below, this will bring up a full listing of the VACC Members who provide Driveway Assistance including contact details.
