FOR IMMEDIATE RELEASE

6 October 2011

Police Credit supports Limbs 4 Life

Police Credit is proud to announce a community partnership with Limbs 4 Life, a charity dedicated to empowering amputees with information and support.

Limbs 4 Life offer a range of programs and services that assist amputees, their families and their primary care givers so no amputee has to go through the trauma of limb loss alone.

Through their Peer Support Program, Limbs 4 Life matches amputees in the hospital or rehab with trained volunteers who have lived with limb loss and offers psychological and emotional support. Additionally, they promote community interaction and participation by hosting a range social events and activities, tailored to help with fitness and general well-being. Events include golf days, BBQ's lawn bowls and awareness week activities, keeping amputees connected in their community.

Police Credit is a credit union serving the Police, Health and Government sectors in Victoria. This partnership is part of Police Credit's commitment to social responsibility in the community where its members work and live.

Police Credit's support will assist Limbs 4 Life in expanding its services to provide even more amputees with the support they deserve. Police Credit will use its social networking presence and other marketing channels to promote Limbs 4 Life and create an avenue for donations to a worthy cause. PC will also use their corporate connections to help Limbs 4 Life save money on administrative and marketing costs such as printing and distribution, enabling them to effectively promote their cause.

"Limbs 4 Life is an inspiring charity supporting our community. We are delighted to support their efforts." says Peter Kempster, CEO: Police Credit.

"We are extremely grateful to Police Credit for their generous support. It is a wonderful opportunity for Limbs 4 Life to have such a valued partner supporting the work the organisation does for the community." tells Melissa Noonan, Executive Officer: Limbs 4 Life.
